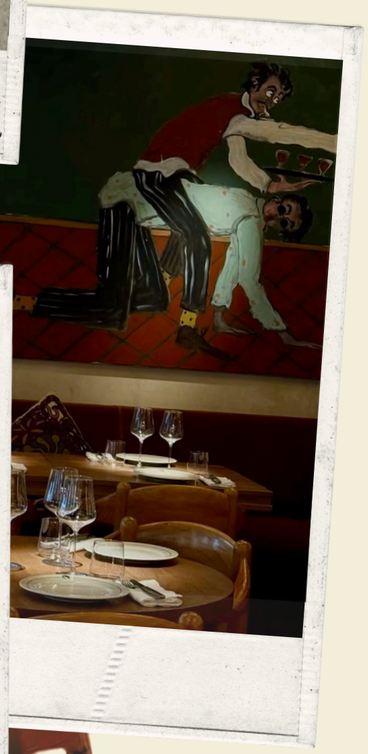
OSTERRIA NOTTE

An Italian restaurant redesigned to embody its true essence revolved around modern, eccentric Italian cuisine. The rebrand showcases it's new approach to food, environment, and aesthetic. Bold, memorable, and vibey.



A REDEFINED ITALIAN EXPERIENCE

An Italian restaurant, reimagined.

An Italian restaurant redesigned to embody its true essence — revolved around modern, eccentric Italian cuisine. The rebrand showcases a new approach to food, environment, and aesthetic.

Bold. Memorable. Vibey.

03 — MENU DESIGN

The menu as an artifact.

A handcrafted dining experience on paper — layered, textured, and distinctly Italian. The menu was designed to feel like something you'd find tucked into a trattoria in Naples.

TYPOGRAPHY
Typewriter serif meets bold display

MATERIAL DIRECTION
Linen-texture, bound with binder clip

Everything is branded.

From takeout bags to olive oil bottles — every touchpoint carries the mark.

05 — ATMOSPHERE & PHOTOGRAPHY

The feeling of Notte.

Polaroid-style editorial photography captures the warmth, texture, and intimacy of the Osterria Notte dining experience. Dimly lit rooms. Handmade pasta. Art on the walls.

06 — WEBSITE DESIGN

Book a table.

Buy the wine.

Warm, immersive, and brand-aligned —
a site as rich as the restaurant itself.

07 — FOOD PHOTOGRAPHY DIRECTION

The dish is the story.

Pasta pulled from a wheel of pecorino. Sourdough torn open in morning light. The visual direction centers the craft — raw, honest, and deeply Italian.

08 — SCOPE OF WORK

What Meridian Haus built for Osterria Notte.
